GA-AL LSAMP PROGRAM

Georgia-Alabama Louis Stokes Alliance for Minority Participation (LSAMP) is a multi-year grant funded by NSF

\$ 2000 PER YEAR STIPEND/AWARDS FOR MULTIPLE YEARS

If you:

- are from an **underrepresented minority group**
- are a **STEM major** (Biology, Chemistry, Computer Science, Geosciences, Mathematics and Physics)
- are a **USA citizen or permanent resident**
- either currently involved or planning to do **research**
- maintain a **GPA of 3.0** or higher
- would like to become involved in **community outreach** activities and
- are interested in expanding your **STEM education beyond UWG**

Then the LSAMP Program is ideally suited for you.

LIMITED NUMBER OF AWARDS ARE AVAILABLE

Accepting Applications for 2017-2018 cohort

For Information and Application Package, please contact:

Dr. S. Swamy Mruthinti, UWG LSAMP Coordinator, Strozier Room # 142
