You have **four attempts per quiz** and the higher score is retained for grade purposes (Note: **The quizzes may change each time they are opened**). There are 10 quizzes in total.

Exams (300 total points):

There will be two tests in this class. The midterm exam is on CourseDen and must be completed before the scheduled deadline. **No make-up online test is given under any circumstances.** Failure to take an online test during the scheduled time will result in a score of zero for that test. Your ID will be checked when you submit your test. If your highest sample exam score is lower than your actual exam score, you keep your actual exam score. If your highest score on the sample exam is greater than your actual exam score, your exam score will be calculated as:

Exam Score = $(1/4)(\text{Sample Exam Score}) + (3/4)(\text{Actual Exam Score})$.
