Reading Materials

- Required text – Garrison, Noreen and Brewer. Managerial Accounting. McGraw-Hill/Irwin, 15th edition (ISBN: 9780078025631).

Special or Unique Student Materials

- A basic four-function pocket calculator is required for this course.
- This is the only type of calculator that may be used on tests—absolutely no graphic calculators are allowed to be used on tests.

Expanded Description of the Course

The emphasis of this course is on uses of accounting and financial data internal to the firm, how the numbers are developed and what they mean. The course first introduces students to product and service costing techniques. Second, techniques for business planning and control are introduced. The primary setting for the course is the manufacturing environment. The concepts and methodologies introduced are transferable to other forms of business and non-business organizations.

Methods of Evaluating Outcome

- **Quizzes** (50 total points): All the chapters have quizzes on CourseDen which have to be completed before the scheduled deadline. No make-up quizzes are given under any circumstances. Failure to take a quiz during the scheduled time will result in a score of zero for that quiz. You have **four attempts per quiz** and **the highest score is retained for grade purposes** (Note: The quizzes may change each time they are opened). There are 9 quizzes in total.
- **Exams** (300 total points): There will be two tests in this class (150 points each). The first exam is **on CourseDen** and must be completed before the scheduled deadline. No make-up online test is given under any circumstances. Failure to take an online test during the scheduled time will result in a score of zero for that test. **The second exam will be given at 11:00am on April 30 (Adamson Hall 227)**. You must be physically present to take the test and you must bring identification. Your ID will be checked when you submit your test. **You may bring two pages of handwritten notes (you may write on front and back of both pages)**. There are corresponding sample exams on CourseDen for both exams. Sample exams are provided as study aids. Sample exams can increase your exam scores, but cannot lower your scores. If your highest sample exam score is lower than your actual exam score, you keep your actual exam score. If your highest score on the sample exam is greater than your actual exam score, your exam score will be calculated as: $\text{Exam Score} = (1/4)(\text{Sample Exam Score}) + (3/4)(\text{Actual Exam Score})$.

If you are not able to take the second exam as scheduled, please contact me as soon as possible. Also, please follow the instructions given by the UWG online testing and contact the Online Testing Coordinator, **Meggie Miller (meggiem@westga.edu)** for assistance.

- Step 1. You will need to locate a reputable test proctor that our office is able to verify via email or phone (in English). Options might include a local school, library, or tutoring center. We are open to suggestions, as long as we can speak with them and vet the proctor. We have a partial list available here, under "Approved Testing Center Options: [approved test sites in Georgia \(https://uwgonline.westga.edu/exam-sites.php\)](https://uwgonline.westga.edu/exam-sites.php).

- Step 2: Set up an appointment time with the proctored testing site, being sure to record all of their contact information (address, phone, email)
- Step 3: Send us the proctor's contact info and your appointment details, via this form: [Online student exam requests \(https://docs.google.com/forms/d/e/1FAIpQLSfmWXJvFe_zh5Ja4pWvVU7soOfHwphO-dZV-wjDxqeQFeKpEw/viewform\)](https://docs.google.com/forms/d/e/1FAIpQLSfmWXJvFe_zh5Ja4pWvVU7soOfHwphO-dZV-wjDxqeQFeKpEw/viewform). Important! The form must be submitted online no later than 2 weeks prior to your test date. Late requests will be subjected to a \$30 late fee.

Important: show up at the date and time of your test with your valid photo ID (driver's license or student ID), pencil, simple function calculator, or anything else that you are allowed to have for your test. You will also need to have cash to pay the testing center (ask ahead for the amount of their fee).

- Grading Scale: Grade A for points between 315-350; Grade B for points between 280-314; Grade C for points between 245-279; Grade D for points between 210-244 and Grade F for points below 210.
