

# ACCT 3213 FINANCIAL REPORTING II

## Course Outline

### Spring 2019

Instructor: Linxiao Liu                      Classroom: Adamson Hall 117  
Office: Adamson Hall 214                  Class Hours: TR 12:30 pm-1:45 pm  
Phone: 678-839-4817                      E-Mail: lliu@westga.edu  
Office Hours: TR 11:30 am-12:30 pm and T 2:00 pm-4:00 pm

#### **Catalog Description**

A continuation of ACCT 3212 with emphasis on the measurement and reporting of property, plant and equipment, intangibles, investments, liabilities, contingencies, income taxes, shareholders' equity and cash flows.

#### **Required Background or Experience**

- Prerequisites: ACCT 3212 with a minimum grade of C.
- Prerequisites Justification: Basic knowledge of accounting and the accounting cycle is required including knowledge of deferrals and accruals. An in-depth knowledge of accounting for receivables, inventories, and fixed assets is needed.

#### **Expected Outcomes**

- Demonstrate an understanding of the balance sheet accounts and the statement of cash flows. LG4.3 (Learning Goal 4).
- Improve and display critical thinking and analytical abilities through problem solving and examinations.
- Understand and apply the accounting principles underlying financial presentation and valuation of major asset, liabilities, and stockholders' equity categories.
- Understand and apply the accounting principles underlying the determination of income and appropriate financial disclosures.

#### **Text and Materials**

- Required text: Intermediate Accounting, Kieso, Weygandt and Warfield, 16th edition, 2016, Wiley. ISBN-13: 978-1118742976;
- Required: access to WileyPlus for homework

#### **Expanded Description of the Course**

- The first module addresses the measurement and reporting issues involving property, plant, and equipment and intangible assets, the tangible assets and intangible long-lived assets that are used in the production of goods and services.
- The second module examines investments including trading, available-for-sale and held-to-maturity debt and equity securities. Both the mark-to-market and equity approaches are included.
- The third module examines the measurement and reporting problems associated with current liabilities, long-term liabilities and long-term notes receivables. Coverage of current liabilities includes determinable liabilities such as accounts payable, refundable deposits, payroll-related

liabilities as well as warranties and premiums. Coverage of long-term liabilities includes accounting for bonds.

- The fourth module examines accounting for income taxes. Coverage consists of interperiod income tax allocation (including both temporary and permanent differences between pretax financial income and taxable income), recording and reporting deferred tax liabilities/assets and operating loss carrybacks/carryforwards.
- The fifth module examines accounting for shareholders' equity. Shareholders' equity is addressed including stock issues under various conditions, preferred stock transactions, and treasury stock transactions. This is followed by accounting for retained earnings, including dividends, stock splits and the appropriation of retained earnings. Accounting for convertible securities and stock options and warrants is presented.
- The sixth module examines some common forms of compensation (e.g., stock awards, stock options and stock appreciation rights) in which the amount of the compensation employees receive is tied to the market prices of company stock. Furthermore, the calculation of earnings per share is addressed.
- The final module involves the preparation of the statement of cash flows using the indirect methods.

### **Instructional Methods**

Each chapter will be discussed and sample problems will be worked in class. Reading the material before you come to class is imperative for you to follow the class discussion and ask questions.

### **Methods of Evaluating Outcomes**

- **Exams (450 total points):** There will be four tests in this class. The first three exams are 100 points each and the fourth exam totals at 150 points. Students unable to take the test due to a schedule conflict should contact me before the test is given if at all possible, so I can arrange for you to take the test early. Make-up tests will be given only for verified emergency reasons. Students who do not follow these guidelines may receive a zero for a missed test. You will need a **pencil and simple calculator for each exam.**
- **On-line Homework (50 total points):** There will be one homework assignment over each of the nine chapters. You will need to register at WileyPlus in order to be able to do the On-line Homework. The instructions for registering at WileyPlus will be provided to you separately. The homework assignments have deadlines. It is your responsibility to be aware of these deadlines and to adhere to them. The deadlines will be strictly enforced, so do not ask the instructor to reset any homework for you if you miss a deadline. (Note: Total points of homework on Wileyplus are 500 points, so your total points on WileyPlus divided by 10 are the points counted toward your final grade.)
- **Grade Scale:** Grade A for points between 450-500; grade B for points between 400-449; grade C for points between 350-399; grade D for points between 300-349 and grade F for points below 300.

### **Learning Domains**

- Cognitive: Knowledge, comprehension, application, analysis, synthesis, and, evaluation.
- Affective: Receiving, responding, valuing, organization, and characterization.

### **Other Miscellaneous, but Important Information**

- Classroom Behavior: Cell phones must be turned off and text messaging is not allowed during class. If you do not understand something I say, please ask me but not your classmate. Talking while I'm speaking is unacceptable no matter the circumstance.
- Class Attendance: I will randomly take roll. Absences will be taken into consideration if a student's final grade is "borderline". Arriving to class late and/or leaving class early without pre-

approving it with the instructor is disruptive to the class. \*\*A student who arrives late and/or leaves early may be counted absent for that day\*\*

- my.westga.edu: The policy of the University of West Georgia is that each student is responsible for checking his/her my.westga.edu e-mail account on a regular basis. Any announcements related to this class will be sent to your my.westga.edu account.
- American Disabilities Act: It is the policy of UWG to accommodate students with disabilities, pursuant to federal and state laws, and UWG's commitment to equal educational opportunities. Please contact Disability Services for more information (272 Parker Hall; (678) 839-6428).
- Code of Conduct: Honesty and integrity are necessary to the academic and professional functions of business. Dishonesty undermines the foundation of the academic environment. Improper academic conduct shall be interpreted to mean the obtaining and using of information during an examination by means other than those permitted by the instructor, including supplying such information to other students. All forms of academic dishonesty, including cheating, plagiarism, and falsification of academic records are subject to disciplinary action. Please read and adhere to the UWG Honor Code: [UWG honor code \(https://www.westga.edu/handbook/59.php\)](https://www.westga.edu/handbook/59.php)
